On behalf of Reaching-Out Community Services, I would like to express my gratitude to you for donating Arcade Games to our “9th Annual Operation Christmas Smiles” event. Reaching-Out would like to thank you for “Putting Smiles on Children’s Faces”. Your sponsoship enabled us to provide a Christmas Extravaganza for so many good girls and boys who are less fortunate. Because of you, they had a Christmas to remember!

The 2014 Dream, Believe, Achieve party at the Martinique Hotel was a tremendous success. The 200 children and parents from 8 New York City shelters had a memorable experience. Delicious food and snacks, fun games (donated by the great folks at Aardvark Amusements), DJ and dancing, a photo booth, gifts and a surprise appearance from Disney princesses combined to make it a special afternoon...

I wanted to thank you and your team for such a great and successful event! The staff can not stop smiling and boasting about how we brought Coney Island to them at the hospital. We always work in difficult situations and we have been through so much with 2 storms which we evacuated our patients (not easy). However, this event was well deserved and I am so glad that you were the vendor to bring this to life for our team. Please extend my gratitude to your professional team, they were amazing!

was Leo, the head person, for yesterday's event. Despite the rain, he and his team were very accommodating. There was also a worker, not sure of his name but dark short hair and he was wonderful too. I will always recommend Aardvark - great follow up, professional, on time, and just great!

I wanted to thank you for helping us throw a fantastic event [Oogieloves Movie Premier]. Your team from your office staff to your game attendants to your awesome family, were all very professional and talented. I especially appreciate you all staying late to help distribute the balloons to the guests after the movie. I look forward to working together again.

On behalf of the Bay Improvement Group, congratulations to you on your great work at your eighth BayFest! Total crowd estimates for people passing through range from three to five thousand at a snap shot to maybe 36,000 - 45,700 in total, up and down the ten piers along the waterfront strip. This is for the full, 6-hour, waterfront-only event of its type in New York City, which covered over eight blocks, with an art show west of our stage area.

Thanks again for your tremendous help in providing the bounce alternatives, basketball entertainment and games for our annual event to raise awareness, to preserve and treasure the unique character of Sheepshead Bay. You and your staff were again efficient and cooperative.

On behalf of the Governor, the Board of Trustees and the children who attended the Annual Easter Egg Hunt, thank you for your generous donation of the Photo Booth and Stuffed Animal Crane. While Mother Nature was not on our side for the activities, everyone who attended brought a great deal of joy and excitement to Drumthwacket. We had a great time watching the children play, hunt and explore.

The day would not have been so wonderful for all who attended without your donation and for that we are truly appreciative. We will be updating our website in the next couple of weeks and will proudly include you on the list of supporters of the Drumthwacket Foundation.

We are looking forward to many years of this wonderful Drumthwacket tradition and are hopeful that we will have your support in the future. Please know that your donation helped bring smiles to the faces of hundres of young children.
